Uniform Definitions and Clarifications

Jewellery	<p>No items of jewellery are allowed apart from the following exceptions that are brought to school on the clear understanding that the school will take no responsibility for such items if they cause injury or are lost.</p> <ol style="list-style-type: none"> 1. Items of religious significance; (a note from parents is required to explain the significance) 2. Ear studs: students with pierced ears may wear one small discreet stud in each ear lobe. Hoops or colourful objects are not permitted. Earrings must not be worn for PE (See Appendix 1) 3. A watch (not to be worn on days when the pupil has PE) <p>Pupils will be asked to remove inappropriate items and they will be available for collection from the school office at the end of the day.</p>
Trousers	<p>All trousers must be tailored school trousers. Trousers must be straight legged and not flared or skinny. They should be free from any inappropriate labels and should not be a hipster cut waist. Trousers should not have visible buttons or zips on the front. Trousers should be worn in a way that does not reveal underwear. Trousers should be worn at the correct length (resting on the shoes) and not turned up.</p>
Shorts	<p>All shorts must be tailored school shorts. They should be black and be worn just above the knee – pockets on the side are permitted as long as they are tailored shorts. Shorts can be worn all year round.</p>
Belt	<p>Where required, trousers should be supported by a plain black belt. This should be free from studs and have a plain buckle.</p>
Shirts	<p>Loose fashion shirts with collars unsuitable for wearing with a tie are not appropriate for school and should not be worn. Reversed shirts should not be worn. Shirts should have all buttons fastened and should be tucked in at the waist. Coloured or printed T-shirts must not be worn underneath white shirts or polo shirts. RBA Polo shirts can be worn as an alternative to the shirt and tie in the summer term.</p>
Skirt	<p>The length of the skirt should be just above the knee and loose fitting.</p>
Socks	<p>Black or white socks must be worn. Ankle or knee length socks are acceptable and trainer socks must not be worn.</p>
Shoes	<p>Trainers (this includes black trainers) and fashion shoes are unsuitable as school shoes and should not be worn. Shoes with heavily indented soles and 'ballerina' type shoes are also unsuitable and should not be worn. Black ankle boots may be worn to school. Some variation in style is inevitable, but shoes and boots should be plain black with flat soles and low heels. Appropriate footwear can be found at local retailers such as supermarkets and shoe shops.</p>
Hair	<p>All long hair must be tied back for health and safety reasons. This includes hair that covers the eyes; this can be done with a plain Alice Band. Hair styles and colourings must be appropriate for the school environment.</p>
Non RBA Hoodies	<p>Pupils are not allowed to wear any fashion/sports/hooded sweatshirts at any time. This includes zoodies (hoodies with zips)</p>
Residential tops	<p>Pupils are allowed to wear any residential or representative tops for PE, in addition these tops can also be worn for extra-curricular activities. These must not be worn as an alternative to a school coat.</p>
Make-up	<p>Pupils are not allowed, under any circumstances, to wear any make-up. Pupils will be asked to remove make-up/nail varnish if it is worn. They will be provided with the correct equipment to do so.</p>

Appendix 1 – Jewellery guidance for PE related activities

At Robert Bloomfield Academy, our number one priority is the safety and welfare of our children and as a PE Department, we follow advice and guidelines of our professional association. With regards to wearing piercings and all jewellery in Physical Education lessons and sporting activities, the recommendation is that all piercings are to be removed for PE and that taping them alone does not protect the pupils wearing the piercing or pupils around them from injury. Injuries may include the tearing of the ear lobe or the post of the earring going into the neck (if hit by a ball for example) resulting in nerve damage.

We seek guidance from our Health and Safety Advisors and have sought further advice from a National PE Advisor, who states “The National guidance has always been that no jewellery should be worn in PE and that includes swimming and physical activity. It is also not safe to cover ear-rings / studs / sleepers with tape”.

With this in mind, we are informing you that earrings are to be removed for PE lessons, or sports activity, to allow them to safely participate practically. Our recommendation is that earrings are not worn at all on days where children have PE, as this will also reduce the chance of misplaced jewellery. Whilst we would encourage children to get their ears pierced at the start of the summer holidays, we appreciate that this may not have happened.

It is the adult teaching the groups responsibility to try to establish a safe situation. In order to keep pupils safe in our care, and to follow the strong advice from a National PE Advisor and our Health and Safety Advisors, children who continue to wear earrings will not be able to take part in the practical element of lessons but will be able to take part in safe amended tasks or other roles, including but not limited to, coach, umpire or assistant until they are able to remove their earrings, after their initial piercing healing time period has elapsed.

If you have any further queries, please do not hesitate to contact me.

Kind regards,

Mrs Cooper, Head of PE
