1.	<p><u>Actions from previous meetings</u></p> <ul style="list-style-type: none"> When it is VOICE rewards afternoons, can we have other options? Senior Leadership Team and Heads of Years have been discussing this and further guidance is being put together to share with tutors. Salad bar – this is returning 2 days a week after Easter. 	
2.	<p><u>Agenda Items:</u></p> <p>1. Suggestions box from the LRC</p> <p>No homework – PLT have said the following: homework is to extend your learning outside the classroom or to go over what is taught in class; it also teaches you the following skills: independence, problem-solving and being organised.</p> <p>Phones for use at breaktime and lunchtimes – the government had produced guidelines stating that the use of phones in school should be banned e.g. pupil not using them correctly, not using their free time to communicate and talk to their peers, taking photos without consent, increase in social media/bullying problems</p> <p>7B – more girls' toilets. Improvements to toilets are still ongoing. More bins – new ones have been ordered and are appearing around the school.</p> <p>Wearing earrings of choice – single studs only please in line with our uniform policy – further clarity please e.g. can we have small, coloured studs? Would it be possible to wear small hoop earrings?</p> <p>Make up – would it be possible for anyone to be allowed to wear very light make up e.g. concealer only to cover up any insecurities. Many people struggle with confidence so it helps if these can be covered.</p> <p>Use of toilets during the lesson – is there a way to add this to our VOICE notes e.g. adding a 'T' every time someone goes to the toilet? As a way to track how often someone is going? Do not log for medical reasons.</p>
