This policy has been developed in response to “The Equality Act 2010, The Children’s Act 1989, ‘The Protection of Harassment Act 1997’, ‘The Malicious Communications Act 1988, ‘The Communications Act 2003’, ‘The Public Order Act 1986’, ‘The Education and Inspections Act 2006’, ‘Advice for Academy Leaders, staff and Governing Bodies on Preventing and Tackling Bullying DfE (July 2017)’, New OFSTED Framework 2023, Keeping Children Safe in Education 2024 and the most recent anti-bullying guidance.

1. Policy Rationale and Aims:

All teachers have the right to teach and all students have the right to learn in a mutually respectful environment.

Robert Bloomfield Academy (RBA) aims:

- To provide a safe, welcoming, friendly and caring environment where individuals are valued for their own unique contribution and personality.
- To promote skills of self-confidence, self-discipline, self-motivation and self-awareness.
- To foster social skills, such as positive attitudes and considerate behaviour towards others.
- To develop mutual respect for adults and children alike, where all feel able to speak openly and honestly about their feelings and concerns with due regard to others.
- The staff and governors of RBA recognise the need to ensure a positive atmosphere based on a sense of community and shared values.

2. Legislation and statutory requirements

This policy is based on advice from the Department for Education (DfE) on:

- Behaviour and discipline in schools
- Searching, screening and confiscation at school
- The Equality Act 2010
- Keeping Children Safe in Education Use of reasonable force in schools
- Supporting students with medical conditions at school
- Special educational needs and disability (SEND) code of practice.
- Schedule 1 of the Education (Independent School Standards) Regulations 2014; paragraph 7 outlines a school's duty to safeguard and promote the welfare of children, paragraph 9 requires the school to have a written behaviour policy and paragraph 10 requires the school to have an anti-bullying strategy
- DfE guidance explaining that academies should publish their behaviour policy and anti-bullying strategy online

In addition, this policy complies with our funding agreement and articles of association.

3. Statutory Authority

Teachers have statutory authority to discipline students whose behaviour is unacceptable, who break the Academy rules or who fail to follow a reasonable instruction (Section 91 of the Education and Inspections Act 2006). The power also applies to all paid staff with responsibility for students, such as Teaching Assistants. This also means that:

- Teachers can discipline students at any time the student is in the Academy or elsewhere under the charge of a teacher, including on Academy visits.
- Teachers can also discipline students for misbehaviour outside the Academy.
- Teachers can confiscate students' property.
- Teachers have a specific legal power to impose detention outside Academy hours. Parental consent is not required.
- Teachers have the powers to search without consent for prohibited items.

4. Bullying

Bullying is defined as the repetitive, intentional harming of one person or group by another person or group, where the relationship involves an imbalance of power. Bullying is, therefore:

- Deliberately hurtful
- Repeated, often over a period of time
- Difficult to defend against

TYPE OF BULLYING	DEFINITION
Emotional	Being unfriendly, excluding, tormenting
Physical	Hitting, kicking, pushing, taking another's belongings, any use of violence
Prejudice-based and discriminatory, including: <ul style="list-style-type: none">• Racial• Faith-based• Gendered (sexist)• Homophobic/biphobic• Transphobic• Disability-based	Taunts, gestures, graffiti or physical abuse focused on a particular characteristic (e.g., gender, race, sexuality)
Sexual	Explicit sexual remarks, display of sexual material, sexual gestures, unwanted physical attention, comments about sexual reputation or performance, or inappropriate touching
Direct or indirect verbal	Name-calling, sarcasm, spreading rumours, teasing
Cyber-bullying	Bullying that takes place online, such as through social networking sites, messaging apps or gaming sites

Details of our school's approach to preventing and addressing bullying are set out in our anti-bullying strategy.

5. Roles and responsibilities

All stakeholders sign a Home School Agreement which clearly states families and schools work together to support the conduct policy.

Role of the Local Governing Board, a committee of the MAT Board

- The governing body has the responsibility of setting down these general guidelines on standards of discipline and behaviour, and of reviewing their effectiveness. The governors support the Principal in adhering to these guidelines.
- A Governors Discipline Committee (GDC) will be formed from 3 local governors, to hear representation from parents Fixed Term Exclusions (FTE) and appeals against Permanent Exclusions (PE). RBA buy back the Local Authority Independent Appeals panel to hear appeals that have been upheld by the GDC.

Role of the Principal

- The Principal has overall responsibility for both students and staff. The Principal takes the lead in defining the aims of the Academy in relation to standards of behaviour.
- The Principal has overall responsibility for ensuring that these standards are consistently applied throughout the Academy through regular monitoring.
- The Principal or designated senior member of staff ensure that records are kept of all reported incidents of misbehaviour. All incidents of bullying are reported to the governing body.
- The Principal has responsibility for giving fixed term exclusion to individual children for serious acts of misbehaviour. For repeated or very serious acts, the Principal may permanently exclude a child. This would have to be upheld by the LGB.
- The Principal will ensure that their Academy has a behaviour and reward display.

Role of the Staff

- Staff have a responsibility to maintain order and promote good behaviour in their classrooms and around the Academy site.
- Staff understand the importance of pastoral care and promote good behaviour by recognising and praising good behaviour.
- Staff recognise that personal and social education are important as a means of promoting the values of mutual respect, self-discipline and social responsibility.
- Rules are applied consistently by all members of staff but there must be flexibility in the use of punishments to take account of individual circumstances.
- Punishments/sanctions should make the distinction between minor and more serious misbehaviour clear to students and should be fairly and consistently applied.

Role of Parents/ Carers

- RBA acknowledges that relationships with parents/carers are important. RBA should be a welcoming place, which encourages parental involvement.
- Parents are informed of positive behaviour as well as negative.
- All parents are encouraged to attend parents' evenings and also discuss issues/concerns with staff outside of these events.
- Parents support the working together agreement.
- RBA expects parents to support their child's learning and take responsibility for their behaviour. RBA encourages parents to work in partnership with them and to support their actions.
- RBA staff will inform parents if any concerns arise concerning their child's welfare or behaviour.

The Methodology of Investigation

There are multiple ways that a conduct concern can be raised. When an issue occurs in a lesson or in direct sight of a member of staff, the protocols set out in this policy will be followed.

When an action which breaches our Home School Agreement is reported after the fact or by a third party, an investigation will be launched. The procedure is as follows;

- Non-judgmental statement gathering from alleged parties
- Witnesses identified and statements gathered (where available)
- CCTV checked (where applicable)
- Student conference with the facts as they have been gathered

- Conversations with families to progress/update investigation but awareness that we will never share details of another student, their actions and their sanctions with families
- A sanction, if required, will be applied
- Follow up support will be provided for all parties. This may be Pastoral Intervention of Head of Year led
- Restorative Justice protocols undertaken

6. Student Code of Conduct

Living our VOICE values of Excellence in and around the Academy is our primary request of all students. Our Code of Conduct details how we will work to positively support all students reach their potential. We expect all students:

- To respect, support and care for each other both in school and the wider community.
- To listen to others and respect their opinions.
- To attend school regularly, on time, ready and equipped to learn and take part in activities.
- To take responsibility for their own actions and behaviour.
- To do as instructed by all members of staff throughout the school day.
- To be tolerant of, and engage with others, irrespective of race, gender, religion, age, ability/disability.

This is confirmed when students are enrolled into RBA through the Working Together Agreement. All stakeholders have an equal responsibility to ensure they uphold the principles of good conduct.

7. Zero-tolerance approach to harassment and violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored. Students are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report
- Carrying out risk assessments, where appropriate, to help determine whether to:
- Manage the incident internally
- Refer to early help
- Refer to children's social care
- Report to the police
- Please refer to our child protection and safeguarding policy for more information

8. Behaviour Curriculum

At RBA, we have a behaviour curriculum which models and reinforces the behaviour we expect from students in order to ensure that they demonstrate excellence every day.

The ten areas of behaviour that we explicitly teach via our behaviour curriculum are:

- Respect and Manners
- Safe play
- Dining room conduct
- Attendance and Punctuality
- Pride in work presentation & personal presentation (uniform)
- Safe movement around school and Line Ups
- Communicating appropriately
- The importance of VOICE Notes
- Vital Start & Excellent Ends to Lessons
- VOICE ALERT and non-verbal cue (hands-up)

Our behaviour curriculum sets out clear parameters for behaviours for learning, standards and routines so that we have a shared language and understanding. This is underpinned by our VOICE values which expects the following:

- **V - Vitality:** students are enthusiastic, energised and healthy
- **O - Opportunity:** they achieve and experience exciting things
- **I - Independence:** they develop the skills to succeed in life
- **C - Community:** they serve and respect the school community
- **E - Excellence:** they are the best they can be at all times

The curriculum is explicitly taught during the first week in Autumn term alongside the traditional National Curriculum subjects and thereafter during daily lineups, assemblies and afternoon form times.

In order to build knowledge and facilitate its retrieval, at the start of each term, the RBA behaviour curriculum is revisited and constantly referenced and reinforced throughout the year. As with other curriculum content, it is taught using the ten 'Principles of Instruction' set out by Barak Rosenshine including regular quizzing to check and strengthen retention.

Teachers will also demonstrate these behaviours and ensure students have many opportunities to practise these (particularly in the first few days of term). It is expected that all students will know this content.

The process for teaching the behaviours explicitly is as follows:

- IDENTIFY the behaviour we expect
- Explicitly TEACH behaviour
- MODEL the behaviour we are expecting
- PRACTISE behaviour
- NOTICE excellent behaviour
- CREATE conditions for excellent behaviour

9. Reward Centered Approach

It is our intention that students be regularly and repeatedly praised and rewarded, for living our VOICE values, in the following ways:

- Achievement points in lessons
- 'VOICE Day' points for an excellent day of all ticks (see VOICE Note below)
- 'VOICE Week' points and email home for an excellent week of all ticks
- Entry into weekly assembly prize draw for a VOICE week
- Praise certificates for accumulating numerous VOICE weeks (5, 10, 20 etc.)
- Access to VOICE events for an excellent half-term (e.g., PSHE VOICE celebrations)
- Access to trips and extracurricular events for those who meet threshold to be invited

10. VOICE Notes

The main vehicle through which students are praised and rewarded every lesson, of each day, is through our VOICE Note praise cards, which students physically carry around with them

This VOICE Note is a tangible reminder of our values and students are praised at the end of a session for having lived our values. Students are invited to physically tick the cell that corresponds to the session they were in. At the end of each day, a student with a VOICE Note full of ticks get rewarded by their tutor with achievement points and a full week leads to a positive email home.

Students who do not live our values, get a behaviour code on their VOICE Note, which has associated consequences. However, our first attention is always to best behaviour and this strategy is reward, rather than consequence focused.

ROBERT BLOOMFIELD ACADEMY

VOICE NOTE

Students at RBA are successful learners because they use their **VOICE** by:

- Showing energy and enthusiasm
VITALITY
- Prioritising their learning
OPPORTUNITY
- Developing autonomy and resilience
INDEPENDENCE
- Supporting and encouraging others
COMMUNITY
- Always giving their best

Where behaviour is not excellent, staff add the following behaviour codes to the **VOICE Note**:

VALUE							
Excellence	C1	E	Equipment	L	Late	U	Uniform
Opportunity	C2*	Dis	Disruptive	P	Passive	R	Refusing
Community	C3	Dan	Dangerous	I	Inappropriate	T	Truancy

* Teacher initially takes the **VOICE Note** as a **Correction Stage Warning**.

11. Consequences

Whilst we strive to ensure that students are excellent at all times, there will inevitably be occasions where students do not meet the expected standard. The table below shows the behaviour that will accrue consequences and, because a policy cannot be completely black and white, how staff might use their professional judgement when implementing:

Code		Behaviour Displayed
C1	Late	Arriving after the majority of the class without good reason
	Equipment	No pen, reading book, planner etc.
	Uniform	Non-school hoodie, trainers etc.
C2	Disruptive	Shouting out, moving around the room, making noises etc.
	Passive	Not working, quietly putting no effort in
	Refusing	Not following explicit instructions or defiance
C3	Dangerous	Pushing, grabbing, throwing items, running indoors etc.
	Inappropriate Language	Swearing, rude/derogatory comments
	Truancy	Out of lessons without permission

Professional Judgement

While these behaviours are to receive consequences in most cases, it is absolutely right that staff should use their professional judgement and make reasonable adjustments if needed.

Consequences Ladder

Code	Behaviour	Consequence	Actioned by:
C1	<ul style="list-style-type: none"> • Lateness • Incorrect uniform • Missing equipment 	Code on VN & Sims	Teachers
C2	<ul style="list-style-type: none"> • Two or more C1 behaviours in a day • Disrupting learning • Passive learning • Refusing instructions 	As above and 5-minute correction conversation with tutor	Teachers
C3	<ul style="list-style-type: none"> • Persistent C2 behaviours • Dangerous behaviour • Inappropriate language • Internal truancy 	As above and next day break time detention	Teachers

	<ul style="list-style-type: none"> • Lost/damaged VN 		
C4	<ul style="list-style-type: none"> • Persistent C2 or C3 behaviours • Refusal to attend break time detention • Refusal to hand over VN • Destruction of or refusal to complete VN • Repeated internal truancy • Threatening/bullying behaviour 	As above and 45-minute SLT detention on Friday	Teachers, HOY
C5	<ul style="list-style-type: none"> • Persistent C3 or C4 behaviours • Refusal to attend 30-minute SLT detention • External truancy • Bring school into disrepute • Swearing at or threatening a staff member • Persistent threatening/bullying behaviour • Theft • Vandalism • Fighting 	As above and one or more day(s) in Behaviour Support	HOY, Pastoral Director and SLT
C6	<ul style="list-style-type: none"> • Failure to comply in BSU • Serious breach the school behaviour policy • Possession of items that threaten the safety of others • Violent behaviour • Physical assault • Persistent disruptive behaviour 	Suspension	Principal or SLT Proxy
C7	<ul style="list-style-type: none"> • One off, serious incident that threatens the safety and welfare of the school community • Serious breach of school behaviour policy • Persistent disruptive behaviour 	Permanent exclusion	Principal or SLT Proxy

While this is a comprehensive list, it is not exhaustive and therefore the Senior Leadership Team may have to use their judgement and discretion to allocate an appropriate sanction.

12. Adjustments for Students with Special Educational Needs

While the behaviour policy and the behaviour curriculum are for all students, they will be applied and taught differently in different year groups depending on students' ages and their individual SEN needs. For example, students with autistic spectrum disorder may find it very uncomfortable to maintain eye-contact with adults. Sensitivity must be applied at all times and reasonable adjustments made as required.

Therapeutic Thinking:

Therapeutic Thinking (TT) is our local authority's (CBC) preferred approach to supporting positive behaviour management in schools and settings. The TT approach forms part of the authority's behaviour strategy and has been agreed through the SEN Executive and forms part of CBC's Local Offer. TT is a therapeutic approach to positive behaviour management and is already well established in many

educational settings and services.

The approach is based on the following principles:

- shared focus on inclusion of all children and young people within their educational settings
- a shared set of values and beliefs
- open and shared communication
- a shared commitment to diversion and de-escalation
- shared risk management, reparation, reflection and restoration

TT emphasises the importance of consistency and teaching intrinsically, rather than imposing external, discipline. It focuses on care and control, not punishment. It uses techniques to de-escalate a situation before a crisis occurs and, where a crisis does occur, it adopts techniques to reduce the risk of emotional and psychological harm.

It recognises that external discipline imposed by staff through rules and suppression will only achieve a short-term change. Whereas, working with a child's experiences and feelings creates an internal discipline, which results in long term change.

What are the features of the TT approach?

- Positive relationships
- Role modelling
- Consistency (not equality)
- Routines (but with flexible thinking referring to individual circumstances and quick wins)
- Prioritising prosocial behaviour (really valued in every child – thanking them, proximal praise)
- Planning alternatives to antisocial behaviour
- Reward and positive reinforcement (should be given freely and unexpectedly, not as a form of bribery)
- Feedback and recognition (give feedback when something has not been asked for – don't just celebrate the things that are expected (e.g., sticker for holding the door open – this should be the norm))
- Comfort and forgiveness (understanding and know that we will do it differently tomorrow)
- Tactical Ignoring (unsocial and low-level behaviours, giving time for unsocial behaviour to stop – do not give attention to these behaviours)
- Positive language (tell children what you would like to see, not what you don't e.g. Please walk rather than don't run)
- Restorative Practice (follow up the behaviour, its impact and consequences at the appropriate time, after regulation has taken place/provide strategies for further occurrences). Restorative approaches refer to a range of methods and strategies which can be used both to prevent relationship-damaging incidents from happening and to resolve them if they do happen.

It is our intention that our behaviour policy, behaviour curriculum and TT approach will combine to allow us to achieve our aim of maintaining a calm and safe environment for our whole school community, while being mindful of the needs of individual students and the approaches/adaptations required to help them to be positive members of our community.

How do we make adjustments or adaptations for the behaviour of students with SEN?

We believe that making adjustments, where appropriate, for all students is important. However, we recognise that this is all the more necessary when it comes to supporting our learners who have SEN to meet our behavioural expectations.

This policy should be read in conjunction with our SEND Policy, which can be found [here](#).

The most common areas of need within our setting lay within ASD, ADHD, Specific Learning Difficulties and Speech, Language and Communication needs. To help support these needs reasonable adjustments are made and these may include, but are not limited to, the following:

- Provide take up time
- Provide time out cards
- Allow use of fidget toys
- Close monitoring by LSAs
- Utilise zones of regulation
- Use of the SEN base
- Use of safe spaces
- Movement breaks
- Social stories

Common strategies we may use to support a learner with **ADHD** include (but are not exclusive to):

- Active breaks
- Short focused activities
- Chunk information
- Visual cues
- May need discreet 'fiddle toy' (only if approved by SENCo)
- Active learning strategies
- Model tasks expected to be performed independently
- Provide support in the form of writing frames, word mats, relevant classroom displays, and prompts such as a card with ideas for 'Five things to do if you are stuck with your work'

Common strategies we may use to support a learner with **ASD** include (but are not exclusive to):

- Consider seating sensitively
- Routine
- Advance notice of changes or different expectations
- Extra time to process information
- Sensory considerations
- Sensitive group for collaborative work & provide students with a clear role
- Simple, clear verbal instructions
- Use student's name to direct attention when questioning
- Model expected classroom expectations
- Scaffold written work to ensure expectations are clear

Common strategies to support a learner with **SEMH** needs may include (but are not exclusive to):

- Provision of a safe space
- Grounding/calming techniques
- Key adult
- Follow routines & have clear expectations
- Clear, timed tasks
- Praise
- Teach resilience
- Use of emotional literacy

Common strategies to support a learner with **Specific Learning Needs** may include (but are not exclusive to):

- Use of visual cues
- Chunking information
- Focus on content not spelling errors
- Use of scaffolding, key word banks, sentence starters, highlighting, headings to structure writing
- Use of colour backgrounds
- Alternative methods of recording written information
- Provide handouts to mirror what is on the board
- Multi-sensory approach to spelling
- Encourage use of Read and Write software and exam provision where appropriate

13. Off-site behaviour

Sanctions may be applied where a student has misbehaved off-site when representing the school. This means misbehaviour when the student is:

- Taking part in any school-organised or school-related activity (e.g., school trips)
- Travelling to or from school
- Wearing school uniform
- In any other way identifiable as a student of our school

Sanctions may also be applied where a student has misbehaved off-site at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the school
- Poses a threat to another student or member of the public
- Could adversely affect the reputation of the school

Sanctions will only be given out on school premises or elsewhere when the student is under the lawful control of the staff member (e.g., on a school-organised trip).

14. School Trips

The school reserves the right to withdraw attendance on school trips, where we believe health and safety could be compromised or where student behaviour is not reaching RBA expectations.

15. School Transport

There are two types of School Transport. Conduct on transport provided by RBA for a school trip, event, fixture etc will simply follow the terms of acceptable conduct as outlined in this policy.

School transport provided by the Local Authority as a means to and from school has a separate operating system. All students who use the LA school transport are expected to abide by their Code of Conduct

https://www.centralbedfordshire.gov.uk/info/3/schools_and_education/530/apply_for_school_transport/10

- The CBC code of conduct outlines what is expected of parents and students who access home to school transport and it is advised that parents read them before accepting the provision of transport.
- Students or parents who fail to abide by the code of conduct when using school transport

provided by us may be banned from accessing the provision for a set period of time, or permanently depending on the severity of the incident.

Please note, CBC state that by accepting the transport provision from Central Bedfordshire Council you (the parent) are agreeing to the Code of Conduct

Incidents on a bus will be investigated jointly by the School, Contractor and Central Bedfordshire Council with the use of CCTV footage (if available) and witness statements.

- Failure to adhere to the Code of Conduct will result in the issuing of a warning and/or a ban determined by the frequency and/or the level of offence.
- Any transport ban implemented will be supported by the School and notice will be provided to the Parents/Carers via the school, but addressed from CBC.
- If a ban is issued by CBC, it will be the responsibility of the students' parent, carer or guardian to arrange alternative school transport to and from school until the ban finishes or on a permanent basis.
- It is in the best interests of parents, students and staff to become familiar with and abide by the code of conduct.
- Absence will be coded as unauthorised if a parent does not provide an alternative transport option for their child during a ban and the EWO service may choose to issue a penalty notice.

Please read Appendix 4: Transport Escalation Matrix (CBC Code of Conduct)

16. Conduct Management

Power to use reasonable force

The legal provision, as defined by the DfE in their policy "Use of reasonable force Advice for headteachers, staff and governing bodies July 2013" on academy discipline also provides members of staff with the power to use reasonable force to prevent students committing an offence, injuring themselves or others or damaging property, and to maintain good order and discipline in the classroom.

In some circumstances, staff may use reasonable force to restrain a student to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging Property

Physical restraint:

- Must always be used as a last resort
- Must be applied using the minimum amount of force and for the minimum amount of time possible
- Must be used in a way that maintains the safety and dignity of all concerned
- Must never be used as a form of punishment

Principal/ Senior SLT and authorised Academy staff may also use such force as is reasonable given the circumstances when conducting a search without consent for knives or weapons, alcohol, illegal drugs, stolen items, tobacco and cigarette papers, fireworks, pornographic images or articles that have been or could be used to commit an offence or cause harm. Force cannot be used to search for other items banned under the Academy rules.

If Academy staff resort to the use of reasonable force they must inform parents/carers verbally and in

writing. This policy serves as an executive summary, but every stage identified in the DfE Guidance on acceptable use of Force in schools will be followed.

Where possible a member of staff who is 'Team teach' trained should attend an incident where physical intervention/the use of reasonable force may be required.

The School has a right to engage with external agencies if we feel appropriate, for example the Police in the event of illegal behaviour.

Malicious allegations

- Where a student makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will discipline the student in accordance with this policy.
- Where a student makes an allegation of sexual violence or sexual harassment against another student and that allegation is shown to have been deliberately invented or malicious, the school will discipline the student in accordance with this policy.
- In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer, where relevant) will consider whether the student who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.
- The school will also consider the pastoral needs of staff and students accused of misconduct.

Please refer to our child protection and safeguarding policy for more information on responding to allegations of abuse against staff or other students.

Confiscation

Any prohibited items found in students' possession will be confiscated. These items will not be returned to students. We will also confiscate any item which is harmful or detrimental to school discipline. These items will be returned to students after discussion with senior leaders and parents, if appropriate. Searching and screening of students is conducted in line with the DfE's latest guidance on searching, screening and confiscation.

Mobile phones

Mobile phones are prohibited in the Academy. If they are seen by staff, they will be confiscated and stored in the school office. A parent will need to collect the phone at the end of the day.

Internal Seclusions/Behaviour Support (Formerly known as Internal Exclusions)

Students are removed from their normal timetabled lessons and supervised by a member of the Pastoral team or SLT. This is not a suspension from school, but an internal strategy to avoid escalation. Work from their timetabled lessons is brought to students or set on Google Classroom. They are educated on site away from their peers for the time agreed by the school. Sometimes we may use another school's provision, within BEST Trust, as a venue for the seclusion. In this case, and with on-site provision, parents will be informed ahead of an agreed plan. We may also occasionally place students in the classrooms of senior leaders/HOY/HOD to avoid escalation. This will always be in classrooms where pupil's own year group is not being taught.

Students will receive supervised breaks where they will be able to get some fresh air, but they will not be on the playground, as per norm. This consequence may be used to sanction students who are consistently not meeting our expectations or as a result of a 'one off' act of dangerous or unruly behaviour.

The length of an internal strategy will be determined by the Principal and/or SLT and will be proportionate to the conduct offense.

Managed Moves

Managed moves are processes which allow students to move between schools without the stigma of exclusion. RBA works collaboratively on managed moves as an alternative to exclusion, or as an opportunity to provide a student with a “fresh start” when it is felt that all other processes have been exhausted or where the relationship between the pupil, parent/carer and the academy has in effect broken down.

The route to a Managed Move is pre-emptive and should not be applied as a last resort. Managed Moves are regulated and quality assured through the Central Bedfordshire Fair Access Panel. Please see the Fair Access Protocol documentation from the DfE on this process.

Exclusions

The Academy will follow the Department for Education guidance “Exclusion from maintained schools, Academies and student referral units in England,”. September 2023. This policy serves as an executive summary, but every stage identified in the DfE documentation will be followed.

Suspension (previously known as Fixed Term Exclusion)

Excluding a student from the Academy for a fixed term is a serious step to take. Only the Principal (or in their absence, the Senior Assistant Principal) has the authority to exclude a pupil. In all cases the parents will be informed either by telephone and letter on the day the student is excluded and the reasons for the exclusion.

Parents will be given the option to collect the student from school if appropriate. On the pupil’s return to the Academy, a readmission meeting will be arranged with a parent/guardian. This will be with a senior member of staff. Work will be set during the period of the exclusion. If a student is excluded for a second time and seems not to be treating the sanction seriously, a member of the governing body may be included in the re-admittance process.

You have the right to make written representations about this decision to the governing body. If you wish to make representations, please refer to the Complaints Policy for further information.

Offences for which exclusion will be considered, but are not limited to, include:

- Verbal abuse/use of offensive language towards a member of staff
- Using threatening/aggressive behaviour or fighting.
- Any behaviour which causes/is likely to cause danger or harm to others
- Serious abuse or vandalism of academy property
- Bringing or using illegal substances, including alcohol, into the academy
- Possession of any offensive weapons in the academy or item deemed to be offensive/ able to cause harm
- Using illegal substances or alcohol in the academy

17. Support

The school recognises its legal duty under the Equality Act 2010 to prevent students with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.

The Student Action Panel will evaluate a student who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

18. Safeguarding

Changes in behaviour may be an indicator that a student is in need of help or protection. We will consider whether a

pupil's misbehaviour may be linked to them suffering, or being likely to suffer significant harm. Where this may be the case, we will follow our child protection and safeguarding policy.

We recognise there may be incidents involving inappropriate conduct between children known as child on child. In these situations, there may be victims and children alleged of causing harm. It is our duty to ensure that these incidents are fully investigated, with appropriate support for both the child alleged and victim, alongside consequences from a conduct perspective. Decisions will be guided by the victim, wherever possible and on an individual basis a course of action will be taken to restore a positive

outcome for all involved. Where it is deemed necessary, incidents of this nature will follow the school child on child abuse policy

19. Training

Our staff are provided with training on managing behaviour, including proper use of restraint, as part of their induction process. Behaviour management will also form part of continuing professional development.

20. Monitoring & Evaluation

RBA hold a variety of records concerning incidents of misbehaviour. Information concerning incidents of misbehaviour is reported to the local governing bodies on a regular basis. It is the responsibility of the governing body to monitor the rate of exclusions and to ensure that this policy is administered fairly and consistently.

21. Implementation & Review

This policy will be made known to all staff, parents/carers and governors, and published on the RBA website. Copies are also available upon request from the Academy office. This policy will be reviewed yearly or as required.
