Most students have refillable water bottles or they can use the fountain.</li> <li>• Lack of space in the playground – Year 8 courtyard – need space to run around – this can lead to disruption in the classroom if students haven’t had a chance to run around.</li> <li>• Canopies for scooters and bikes – bearings becoming damaged with the rain, wet bikes not pleasant to ride on, on the way home.</li> <li>• Lunch lines – Y7s seem to go in first a lot. Please can we alternate e.g. week 1 Y7s first and week 2 Y8s first.</li> <li>• Look at routes around the sports hall – this has already been put on the bulletin today and pupils will be coded if going into the out of bounds area.</li> <li>• No more VOICE notes, allowing phones at lunch breaks – these have a positive effect on behaviour and students enjoy being rewarded; recent government guidelines state that phones should not be allowed in school to encourage pupils to socialise more with other by having conversations and improving their oracy and listening skills – phones in school can affect students’ wellbeing</li> </ul>	<p>Share on VOICE update</p> <p><b>Mrs Crowley</b> to discuss at next subset meeting</p> <p><b>Mrs Crowley</b> to discuss at next subset meeting</p> <p><b>Mrs Crowley</b> to forward to midday supervisors</p> <p>Share on VOICE update</p>
