Miller house is named after the legendary Glenn Miller. Alton Glenn Miller was an American Big Band trombonist, arranger, composer and bandleader in the swing era.

We at Miller House love the team spirit that the house system creates and would like as many of you as possible to jump onboard. During the year there will be plenty of challenges set for us, including house competitions, charity fund raising and lots, lots more. I love what our ever-evolving house system has to offer, not only for the pupils but the staff and families of RBA, as well as the wider community. If anyone has any ideas for our Oak Manor fundraiser in the new academic year, please feel free to email me! ALL ideas welcome!

Each year we recruit House Captains in year 8 each who are given the role of leading all of the form groups in their house. Our House Captains do a fantastic job of motivating their peers and organising fund-raising events.

This coming year will invite students of Miller House to get involved and earn points for themselves and Miller. The VOICE system gives every student the opportunity to earn a minimum of 25 points a week, just by following RBA's VOICE values – which so many of Millers pupils are achieving every day/week.

Here is to a fantastic year ahead!
