

Welcome to **TURING HOUSE!**

Quick facts

Motto: “Sometimes it is the people no one imagines anything of who do the things that no one can imagine” Alan Turing.

House Colour: **Green**

Forms: 5A, 5G, 6A, 6G, 7A, 7G, 8A and 8G

Introduction to Turing House

I’m Miss Bailey, the Head of Turing House, and I’m excited to begin another fun-filled year full of opportunities for our pupils to thrive, grow, and enjoy themselves. This year, there will be countless ways for your child to get involved and make the most of everything our House system has to offer. My goal for Turing House is not only to lift the House Trophy at the end of the year, but also to ensure every student feels included, valued, and enriched by the wide range of experiences we’ll share along the way.

House Charity: CHUMS

A core part of the Robert Bloomfield House system is for each House to run events to raise money for a chosen charity. This Year Turing’s chosen charity will be CHUMS - a local charity based in Silsoe. CHUMS are dedicated to improving the mental health and emotional wellbeing of children, young people, and their families.

House Ethos:

We believe that being part of a team gives each individual a strong sense of belonging and confidence in themselves. Turing House is all about teamwork! We are always striving to do our best, supporting one another, showing respect, enthusiasm, determination, resilience and kindness.

Although we’re a competitive bunch, our main focus is to ensure that every student in Turing House feels included and valued as part of our team. Throughout the year, there are a variety of exciting House competitions for students and staff to take part in, and our Turing House community never fails to impress with their effort, teamwork, and determination to earn points for the House and for themselves.

We encourage all our students to get involved, try new things, and embrace every opportunity with a can-do attitude. This spirit of positivity and collaboration is what makes Turing House such a strong, supportive, and inspiring team!

House Trophy

Each year, we compete for the House Trophy. Students gain points for Turing House for living their VOICE values throughout the day. This could be through their work, by contributing positively to the life of Robert Bloomfield Academy or by competing in one of the many inclusive House competitions run each year.

There are also plenty of exciting and varied House competitions which are designed to cater to all interests and abilities – from Christmas Tree decorations to Dance and from Spring Sports to Bloomfield's Got Talent! At the end of each week in Form Time, we inform students of the running total of House points and any results of competitions within their form times, creating motivation for students to get as many House Points as possible to boost their House position.

House Captains

Each year we recruit House Captains in year 8 and they are given the responsibility of leading all of the form groups in their house, through the house system competitions and setting a positive example in terms of conduct and ethos. Our House Captains do a great job each year of motivating their peers and even partake in House competitions. There are many other roles and responsibilities we have lined up for our House Captains this year and we are really looking forward to seeing them take on their roles. Congratulations to Evie and Rio on achieving these roles and also Lily and Lilly who are our Deputy House Captains.
