

I Can Statements

Year 5 Unit: Digital literacy - Logging In, Classroom and Online Safety

Unit/Topic Overview	Pre-taught Vocabulary	
Across this half-term, pupils learn how to log onto the school network , access Google Classroom , navigate Google Workspace apps, and keep themselves safe online using the SMART rules. They will practise finding assignments, submitting work, formatting slides, and choosing content that appeals to an audience. By the end of the unit, pupils should be confident in navigating to Classroom and finding apps to use in Workspace .	Login	Google Workspace
	Network	Formatting
	Google Classroom	Assignment
	Online Safety	Content
	Password	Reliable
