

Unit/Topic Overview	Pre-taught Vocabulary	
In this unit, I will become a confident critic of French television! I will be able to name a wide variety of TV shows and confidently share my opinions about them. Instead of just saying what I like, I can take my French to the next level by justifying my thoughts using phrases like "Je les trouve..." (<i>I find them...</i>) and linking my ideas with car or parce que (<i>because</i>) as well as using different adjectives to emphasise how I feel. Finally, I can talk about the stars of the screen by explaining who my favourite actor or actress is and describe their personality.	parce que = because	j'adore = I love
	car = because	je déteste = I hate
	j'aime = I like	je n'aime pas = I don't like
	très = very	assez = quite
