

I Can Statement - Year 7 PE- Invasion Games

Topic Overview - Sequences	Pre-taught Vocabulary	
Students demonstrate a clear understanding of why the coaching points for core skills are so important for successful performance, across a range of invasion games, including football, netball, basketball, rugby, handball, and hockey. They practically apply these skills- such as passing, receiving, moving with the ball, scoring, defending, outwitting opponents, and officiating- executing them with accuracy. Learning is applied through controlled practice drills, small-sided conditioned games, and full competitive play.	Support play	Target
	Width	Tackle
	Pressure	Give and go
	Agility	Accuracy

RAG Rating:		Start	End	Teacher
1.a	I know why accurate passing the ball is important in a range of sports.			
1.b	I can pass the ball with accuracy in a range of sports.
