

I Can Statement - Year 8 PE- Invasion Games

Topic Overview - Sequences	Pre-taught Vocabulary	
Students demonstrate a clear ability to apply their knowledge and understanding gained in year 5, 6 and 7 when talking about the coaching points for core skills, across a range of invasion games, including football, netball, basketball, rugby, handball, and hockey. They practically apply these skills- such as passing, receiving, moving with the ball, scoring, defending, outwitting opponents, and officiating- executing them with adaptability (to the physical sporting environment and feedback given). Learning is applied through controlled practice drills, small-sided conditioned games, and full competitive play.	Adaptability	Application
	Execute	Press
	Peripheral vision	Leadership
	Zones	Dummy

RAG Rating:		Start	End	Teacher
1.a	I know how to apply my knowledge and understanding of passing the ball, e.g. when coaching/giving peer feedback.			
1.b	I can pass the ball with adaptability in a range of sports.			
2.a	I know how to apply my knowledge and understanding of receiving the ball, e.g. when coaching/giving peer feedback.
