

I Can Statement

Subject: PSHE

Year: 7

Unit: Economic Wellbeing	Term: Autumn 1	Pre-taught Key Vocabulary	
Topic Overview:			
This half term you will be exploring economics. This means money and some of the ways it works in the world. You will be looking at budgeting, planning and managing risk. You will look at ways to save and grow money whilst also identifying the differences between wants and needs. You will discover just how much Maths there is in your everyday lives and how to help manage your emotions around money. You will also learn how to keep your money safe and ways to help avoid unhelpful debt.		Growth mindset	Need vs Want
		Debt	Financial
		Loans	Inflation
		Economy	Budgeting
		Fraud/Phishing	Influences
		Bank Accounts	Emotions

RAG Rating:		Start	End	Teacher
