

YEAR 6 Textiles: Printing Project

Name:	
DT Group:	
Form:	

In this project, students get the opportunity to design and print an eye-catching, reusable, calico bag for a specific target market.

Students are introduced to surface design and pattern, which will challenge them and showcase their creative skills.

They will also continue to develop their health and safety skills as they work with fabric paint, diversifying the textiles skills they learnt in Year 5.

Subject Vocabulary	
Motif	Reflect
Pattern	Link
Repeat	Print block
Rotate	Target market

	RAG Rating:	Start	End	Teacher
1.	I can identify my target market and write a list of at least 3 design specifications.			
2.	I can draw four imaginative and clear motifs for my print block.			
3.	I can consider my target market's likes and interests when creating my designs.			
4.	I can meet my specification points in my motif and pattern designs.			
5.	I can create an interesting print pattern design for my bag that uses at least two different types of pattern and I have identified which types of pattern I have used.			
6.	I can use colour pencils to enhance my designs experimenting with colour rendering techniques.			
7.	I can accurately cut out and position my foam motif to create my print block.			
8.	I can accurately mark out my print pattern design on my calico bag.			
9.	I can produce an accurate, high-quality printed bag that matches my print pattern design.			
10.	I can work safely in the textiles room and follow all health & safety advice.
